ZBIR20S80

DAY/NIGHT BULLET CAMERA

10:30 am

08:30 pm

Day/night imaging automatically drops color in low light for greater detail. Coupled with the 24 IR LEDs, it allows you to continuously record 24/7.

Introducing an easy-to-install, cost-effective way to monitor indoor or outdoor activity, whether it's in near complete darkness, uneven light, or bright direct sunshine.

Equipped with 24 long-range IR LEDs, the new ZBIR20S80 camera captures outstanding, highly detailed video images virtually anywhere. It delivers the enhanced capabilities, reliability and ease-of-installation that you have been searching for in a day/night bullet camera. Proven auto white balance meet the requirements of most applications. Best of all, the ZBIR20S80 can be installed virtually anywhere — indoors or outdoors— thanks to a IP66 housing built of the highest quality ADC12 aluminum that resists water, moisture, dust and vandalism. And its backed by a two-year warranty!
